NO. 6 AND 8 * BUSINESS COLLEGE * N. CHARLES ST.

# TO OUR PATRONS.

In presenting our new Price List and the accompanying Plate of Designs of Marble and Granite Work for Cemeteries and Church Yards, we have pleasure in calling your attention to our largely increased facilities combined with an experience of upwards of half a century in the manufacture of cemetery work exclusively, enabling us to furnish a class of work at a more moderate price than any offered heretofore.

The designs as shown on our engraved plate is a fac simile of the kind of work now in use at the principal cemeteries, while inexpensive in cost, they are appropriate, unostentatious, enduring, and beautiful in design, and to add still to their character as works of Art, we engrave inscriptions thereon in the most artistic style, which places our work beyond competition.

The stock of finished work on hand is larger than any similar establishment, and all tastes can be suited. Thus doing away with the old style of waiting for an indefinite time to have the work made to order. We give personal attention to shipping and obtain the lowest freight rates for our patrons, both by Rail and Water Lines.

We pack our goods in strong cases for shipment any distance, and it is an unheard of case of their arriving in a damaged condition.

We are confident that by low prices, fair dealing and a strict and prompt attention to your orders we should receive a share of the trade in your section.

Respectfully yours,

*GADDESS BROTHERS.*
